Sir:

REQUEST FOR CLARIFICATION OF ADVISORY ACTION

Applicant acknowledges receipt of the Advisory Action for the subject application, dated May 14, 2002, according to which the Affidavit and Request for Reconsideration submitted by applicant were considered but did not place the application in condition for allowance. The examiner stated that these papers did not place the application in condition for allowance because, in essence, the claimed invention is obvious over the disclosure of the CEDERQUIST patent, for the reasons set forth in the final rejection.

Applicant filed a Notice of Appeal on April 11, 2002, and in the interest of economy and efficiency for applicant, the examiner and the Board, applicant hereby requests clarification as to the issues that remain open for appeal. In particular, applicant requests clarification as to (1) whether the amendments filed April 11, 2002, were entered for purposes of Appeal and (2) whether the rejection under 35 USC §112 first paragraph has been withdrawn.

Facsimile Certificate

I hereby certify that this correspondence is being facsimile transmitted to (703) 872-9311 on the date given below, addressed to M. Alvo,
Commissioner for Patents, Washington, DC 20231.

Date:

May 23, 2002

L. James Ristas

Inasmuch as the due date for filing the Appeal Brief is June 11, 2002, applicant request a prompt reply from the examiner to this request for clarification.

Respectfully submitted,
